Did you know that way back when the Knights of Columbus has a Semi Pro Amateur Baseball Team? In 1911 the Portland Knights of Columbus Baseball Team was formed. They went 8 and 4 that year. They played teams such as the Lost River Giants, Albany Athletics, Sale, Prineville and Corvallis. In 1914 they were contenders for the Championship. Unsure if they won or not or when the team ended. Not much out there on the history.

With a record of eight wins in 12 games, the Knights of Columbus baseball team, led by Manager Joe Reilly, has no reason to feel disappointed in its initial season's record. Manager Reilly is already planning an aggressive campaign for 1913. The Knights may also put a basketball team in the field this winter.
