

## **District 9 Holds Summer Meeting in Medford**

On September 23, District Deputy Ed Dinius gathered the leadership teams from Councils 1594, 3157 and 11258. The goal was to share ideas and Best Practices.

Discussions about Cor and many other leadership questions were bounced around with the help of State Secretary Bob Adams and District Deputy Coordinator/Vice Supreme Master Joe Schaecher.

Further talks from Chris Erno on details from the Financial Secretary world were very beneficial.

Thanks to Rogue River Council 1594 for hosting the event.
