

## **New Knight, New Marine**

On August 21, 2023, Rogue River Council #1594 held an Exemplification in Medford. One of the new Knights brought into our membership that evening was Jonah Hadley. This Exemplification was moved up a week to accommodate an important item in Jonah's schedule. The following week he headed off to Marine Corps Recruit Depot San Diego to start his basic training for the Marine Corps. It was important to Jonah that he join the Knights of Columbus before starting this new, significant journey in his life.

Jonah comes from a family of Knights as his father Bryan and brother Peyton are also Brothers in Council #1594. We feel truly blessed to add another member from the Hadley Family to the Knights of Columbus and are proud of our new Marine!
