

Knights of Columbus

Oregon State Council

Tie Program

It is encouraged that everyone gets a theme tie. In the spirit of creating some comradery among brothers, unity in common purpose, alignment on our mission, and the sense of belonging to an organization of other brothers, it can be very meaningful to have a common theme tie for all State level events. It is also a very powerful message when we attend various events and everyone sees a bunch of Knights in the same room wearing the same tie.

It will give members a sense of feeling part of an amazing organization and will give non-members that impression as well.

State Officers, State Directors and Chairmen, District Deputies, District Wardens, and Grand Knights are all invited to purchase a tie for \$10 if they wish. It is voluntary, but will foster a sense of unity. There will also be various incentives throughout the year for turning in forms early or meeting goals early.

If you are interested in purchasing a tie, contact SD Ken Anderson at kennethandersoniii@gmail.com

Vivat Jesus!
