

## **Sprint to Ascension!**

Brothers, to aid us in getting to Pinnacle, we have another incentive in place: Sprint to Ascension! Any council that brings in 2 new members online between May 6 and June 3 will get a framed 8x10 image of the Sacred Heart Icon. This could be a gift for the council or a gift for a member of the council. It is recommended that this Icon be enthroned in someone's home. You won't want to miss out on getting this beautiful Icon!
